ROAD REOPENS FOR TRAFFIC IN BUKIT BINTANG

MMC Gamuda KVMRT (T) Sdn Bhd wishes to announce the reopening of the stretch in Jalan Bukit Bintang located in front of Bangunan LTAT and Menara Worldwide (Jalan Tun Razak-bound) beginning today, 3 June 2014.

The 120-metre stretch was closed for traffic since 23 April 2014, following the sinkhole incident in the area. The earlier closure was necessary to enable us to carry out ground treatment works for the KVMRT project.

Following the reopening of the road, the contraflow in front of Bangunan LTAT and Menara Worldwide ceases and traffic will normalise as it was before the closure

MGKT wishes to apologise for the inconvenience caused.
