

MEDIA RELEASE

ROAD CLOSURE AT JALAN BUKIT BINTANG

Kuala Lumpur, 6 May 2014: Mass Rapid Transit Corporation Sdn Bhd (MRT Corp) wishes to inform the public of an urgent lane closures at Jalan Bukit Bintang (Tun Razak to Pavilion-bound) between the Jalan Imbi junction and the slip road beside Pavilion Shopping Centre due a burst water pipe under the road.

The burst pipe had caused a small depression and following MRT Corp's Standard Operating Procedures, a 100m stretch of road was immediately closed to all traffic to minimise any risk to road users.

Work to repair the burst pipe is being carried out. Checks are also being carried out on the other utilities such as electricity and telecommunication cables as well as gas pipes near the location of the depression by TNB, TM and Gas Malaysia.

As a result of the closure of this stretch of road, traffic along Jalan Bukit Bintang from Jalan Tun Razak heading to Pavilion are redirected onto Jalan Imbi. Road users can access Jalan Bukit Bintang by using Jalan Walter Grenier, or via Jalan Sultan Ismail and Jalan Raja Chulan (see map).

Traffic from Jalan Raja Chulan can still turn into Jalan Bukit Bintang via the slip road beside Pavilion Shopping Centre.

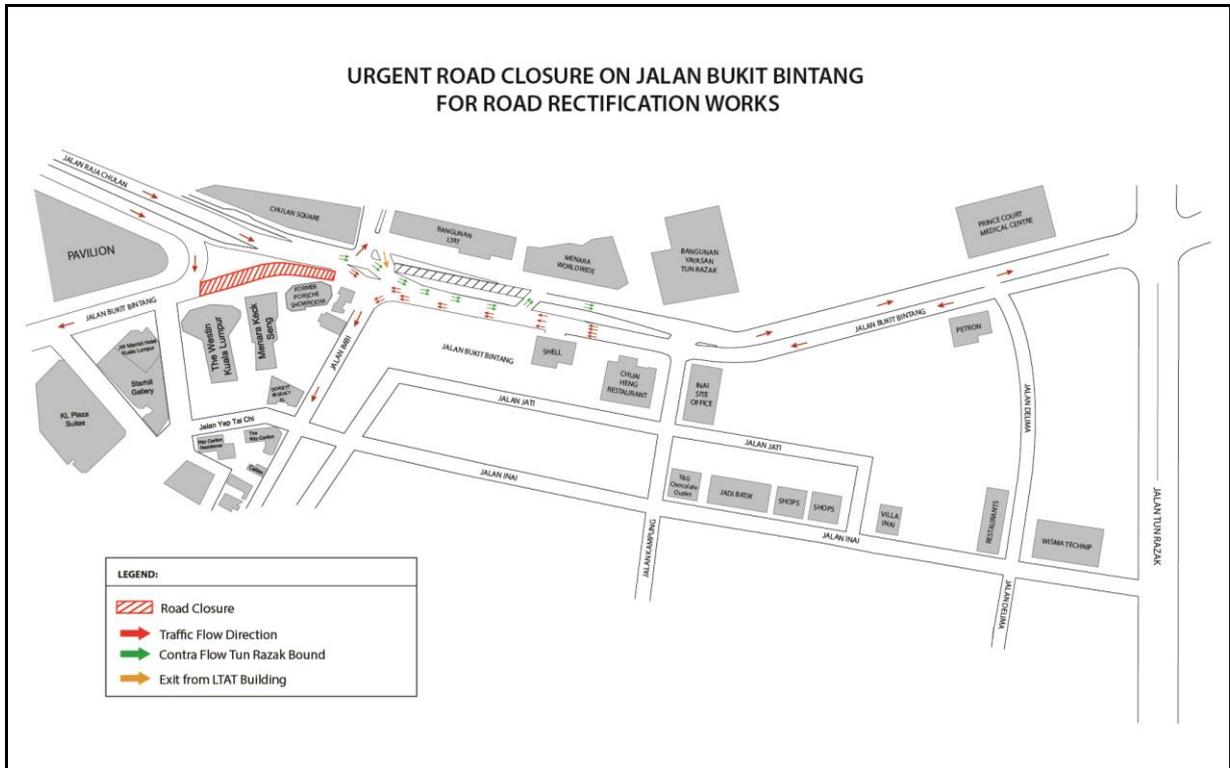

Traffic from Jalan Raja Chulan can also still make the right turn into Jalan Imbi, or proceed straight to Jalan Tun Razak.

Traffic police and the MRT Project Emergency Response Team have been deployed to help direct traffic.

MRT Corp apologises for the inconvenience caused and will provide further updates on the situation and when the road will be reopened.

For more information the public can visit the MRT website at www.mymrt.com.my or www.mymrt-underground.com.my, Twitter @MRTMalaysia or @MyMRTUnderground, Facebook @MRTMalaysia or call the **MRT Hotline at 1-800-82-6868**.
